

Our aim was to  
create a **modern**  
**coffee shop** with a rustic  
**continental** ambience

## BV Coffee House

Industry: F&B

Project Length: 8 weeks

Project Value: Approx £150,000

---

Established in 1995 and based in a busy office hub, BV Coffee House was in need of a well overdue make over.

Serving the finest gourmet food BV Coffee House wanted a refurbishment to reflect this by having a modern but rustic feel.

RSR were given the task of carrying out the works during a national pandemic. The refurbishment included a full strip out, combination of brick and wooden cladded walls bespoke seating booths, front and back serving counters, power and lighting installation.

RSR created the  
**concept and branding**  
to completion  
after several **client**  
**consultations**

## Scope of works

---

Design, Supply and Installation of the following:

Design and branding

Preparation and fitting of brick slips

Rustic timber cladding to walls with matching

Bespoke seating booths and matching cladded tables

USB/power sockets to booths

Bespoke design and finishing of unique lighting features

Bespoke stainless steel back and front counters

Containment for lighting and power

Exposed ceiling with a contemporary look
