

RSR were tasked
with expanding a
eCommerce Giant's
Print on Demand site
making it their **biggest**
worldwide operation to date

E-Commerce Giant

Location Size: 7050 sqft

Industry: E-commerce/Publishing

Project Length: 20 Weeks

Project Value: Approx £8.5 Million

Print On Demand has been a real game changer in recent years.

A single book can be printed at minimal cost without the need of stocking physical books.

This reduces the need of unnecessary storage space.

With the ongoing growth of Print On Demand our client instructed RSR to expand its current operation to double its size to make it their biggest Print on Demand site in the world.

Liaising with **global 3rd party suppliers** in conjunction with **our clients specifications**, RSR completed the expansion works on time working around **a live environment**
