

Our aim was to
create a **bespoke**
lighting system that
complimented different
design features

Shoosmiths

Industry: Law

Project Length: 3 Months

Shoosmiths is a major UK law firm with a network of offices and a turnover of over £154m. Shoosmiths commercial client list speaks volumes for the quality of their lawyers and the experience they provide; from Mercedes-Benz, Octopus Ventures and Travelodge to property developers and some of the UK's largest banks, they work with a growing number of the FTSE 250 and some of the world's most exciting and ambitious growth businesses.

Creating a **unique**
modern feel to the
offices incorporating
lighting and design

A modern interior space featuring a green modular sofa, a round table, and a ceiling with exposed ductwork and various lighting fixtures, including a large spherical pendant light and a cluster of smaller lights. The background shows a kitchen area with a refrigerator and shelves.

Scope of works

Design, Supply and Installation of the following:

Bespoke design and finishing of unique lighting features

Installation of automatic and manual lighting control systems

Install split metered tenant lighting and power for sublet use

Mains distribution and small power solutions

Installation of AV and TV power supplies

Dedicated leak detection power supplies installed in comms room, shower and kitchen areas

Containment for lighting, power and data cables

Installation of socket outlets for kitchen appliances

Comms room power installation
