

**WE ARE  
RECRUITING**

# **ELECTRICAL PRE-CONTRACT MILTON KEYNES**

**Are you an RSR electrically qualified person  
looking for progression in estimating?**

... we now have a fantastic opportunity for someone to join our growing Pre-Contract Team as a Pre-Contract Support. If you are interested in working with our clients, surveying and pricing up our commercial electrical works, then we would be interested in speaking with you.

The role will provide varied opportunities to work on design build turnkey electrical solutions for our nationwide clients, from small works to large tenders or designs. There is an excellent network of professionals amongst our teams that will support you as you get to grips with the role.

Our clients are established industry icons, as well as smaller commercial clients, and the projects are diverse and wide-ranging, so the challenges are varied every day. Your end goal is winning the clients trust and helping our business grow...

... if this sounds like you then please email [recruitment@rsr.co.uk](mailto:recruitment@rsr.co.uk) and let us know you're interested.
