

**WE ARE  
RECRUITING**

# **MECHANICAL PRE-CONTRACT MILTON KEYNES**

**Are you a mechanical estimator with site experience looking for a new challenge?**

... we now have a fantastic opportunity for someone to join our growing Team as a Pre-Contract Manager. If you are interested in working with our clients on surveying and pricing up our commercial mechanical works (HVAC and plumbing) and have worked on site previously then we would be interested in speaking with you.

The role will provide varied opportunities to work on design build turnkey mechanical solutions for our nationwide clients, from small works to large tenders or designs. There is an excellent network of professionals amongst our teams that will support you as you get to grips with the role.

Our clients are established industry icons, as well as smaller commercial clients, and the projects are diverse and wide-ranging, so the challenges are varied every day. Your end goal is winning the clients trust and helping our business grow...

... if this sounds like you then please email [recruitment@rsr.co.uk](mailto:recruitment@rsr.co.uk) with your CV.
